## 13TH ZERMATT UNPLUGGED

Founded in 2007 as a singer & songwriter festival, Zermatt Unplugged has grown into a meeting place for fans of authentic sounds. Musicians and bands including Suzanne Vega, Chris de Burgh, Alanis Morissette and Reamonn have been inspired by the Unplugged concept and appeared on the festival's tent and club stages. Zermatt Unplugged is the only festival of its kind in Europe.
